

1. Online Classes taken by the concerned faculty members during the lockdown period

In view of the Covid-19 pandemic and subsequent lockdown, as per the orders of CCE, Vijayawada and as per the instructions given by the RJD, Rajamahendravaram, Teaching Faculty of S.K.B.R.College, Amalapuram has been taking Online Classes from 19-04-2020 onwards. Everyday 75% of our Teachers have been taking online classes. Through online teaching more than 600 students have been benefiting every day. We are following '4' quadrant models for generation of e-content. We are developing the Learning Management System at college level. For this purpose we are developing a Content Management System with the help of Google Classroom. At present we are utilizing Whatsapp, Cisco WebEx Meetings, Google Duo. We are in the last phase of preparation of E-content like PDF, Text, Illustration, Document etc and E-Tutorial (Video). Dept. of Mathematics has started You Tube Channel for the benefit of Students in large scale and uploading PPTs, Videos.

2. Faculty members Participation/Organizing in any webinar during lockdown.

The outbreak of the COVID-19 disease has posed great challenges to humanity worldwide and has reshaped our entire way of living. At the same time, a crisis is also a great opportunity to explore our creativity and innovative ideas to counteract its negative impact. In the realm of academics there is a growing urgency to rediscover various innovative applications to impart education through online classes. In this connection Teaching Faculty has been participating in Webinars conducted by Various Universities/Institutions/Colleges, Online Teaching Platforms like Google Class Room, Edmodo & Moodle and Applications like Kahoot, Quizizzs, Hot Potatoes and Mentimeter.

3. Social Service extended by the college faculty or students, related to Corona Pandemic.
